Dear Bob,

As I mentioned the other day on the phone in order to have the N120 virtually turnkey as it leaves the yard we need to ask you for some assistance.

Please see the attached spreadsheet that shows what we have left to pay prior to delivery, some of these are estimates as we do not know all exact costs yet.

If you agree to prepay the (need immediately amount total of \$322,004) we will have invoices ready to go on our end so your money will come in and back out instantly.

CONCONI 023577

Sorry to bug you yet again with our cash flow woe's but it appears this is finally the last time.

Jim, Jeff and I would like to call you tomorrow to review this. Please let me know when a good time is for you.

Thank you,

Trever Smith
